

I would like to request that my local K-LOVE station be allowed to remain as it is. If K-LOVE were to be displaced by an LPFM broadcaster, the community would suffer. I enjoy the inspirational quality of the K-LOVE radio station and listen to it in my car and in my home. I feel it is in the best interest of the Lexington, KY community to have K-LOVE to listen to instead of something that may not have the same values that I hold dear. Please do not take our K-LOVE station off the air.
